

# Python for Engineers: Online Room Concept

## Main BBB-Room (this room)

- Welcoming + short intro
  - Closing
  - (Announcements if necessary)
- Room is mostly quiet to not disturb you

## Secondary BBB-Room

- Speak with me  
(if I'm not occupied with pad-questions)

## "The Pad"

- contains many URLs of private conference rooms
- **waitinglist:** paste **your** room URL → I will join and help

## <your private (BBB o Jitsi) room>

- Can be opened via URL from the pad
- Can be used to collaborate as learning team
- Can be visited by me on request
