NEXTGEN TALENT: EMPOWERING CAREERS, DRIVING GROWTH

Are you ready to **shape the future of technology**?

The NextGen Talent initiative connects you with leading industry professionals, **career-boosting opportunities**, and the skills needed to thrive in the semiconductor and microelectronics industry.

Through **mentorship**, **networking**, and **expert-led insights**, you'll learn from industry leaders and innovation pioneers, gaining a deeper understanding of the **future of semiconductors**. You'll also become part of a diverse, global tech community that is driving change and fostering the next generation of talent.

**Take the Next Step in Your Career –
Learn and Connect with Us in Dresden!**
